

DAY 1: Friday, 04/12/2015

- 09:00-10:00 Registration
- 10:00-11:00 Inauguration
- 11:00-11:15 **Tea Break**
- 11:15-12:00 Doug Oard - Making Lawyers Happy
- 12:00-13:10 **Track Overviews**
Cross-Language detection of SOURCE CODE re-use (Esa Villatoro-Tello)
Shared Task on Mixed Script Information Retrieval (Monojit Choudhury)
Arabic Plagiarism Detection (Kareem Darwish)
- 13:10-14:00 **Lunch Break**
- 14:00-14:30 **Track Overview (Continue)**
Automated Story Illustration (Gareth Jones)
Entity Extraction from Social Media Text - Indian Languages (Pattabhi RK Rao)
- 14:30-15:15 Jaap Kamps - What can you do with a Semantically Annotated Web in your Pocket ?
- 15:15-15:30 **Tea Break**
- 15:30-16:45 **Track Talks - Entity Extraction from Social Media Text - Indian Languages**
- 17:15- Steering Committee meeting

DAY 2: Saturday, 05/12/2015

- 09:30-10:15 Charles Clarke - Dynamic Information Retrieval Evaluation
- 10:15-11:15 **Paper Presentation**
Gareth Jones - Context-driven Dimensionality Reduction for Clustering Text Documents
Eric Harth - Document Retrieval Metrics for Program Understanding
Mijail Kabadjov - OnForumS: The Shared Task on Online Forum Summarisation at MultiLing'15
- 11:15-11:30 **Tea Break**
- 11:30-11:50 **Paper Presentation (Continue)**
Pattabhi RK Rao - Automatic Identification of Conceptual Structures using Deep Boltzmann Machines
- 11:50-12:10 Somnath Chandra
- 12:10-13:00 **Track Talks - Shared Task on Mixed Script Information Retrieval**
- 13:00- 14:00 **Lunch Break**
- 14:00-14:30 **Track Talks - Shared Task on Mixed Script Information Retrieval (Continue)**
- 14:30-15:15 Kareem Darwish - IR Meets Social Science
- 15:15-15:30 **Tea break**
- 15:30-16:15 **Track Talks - Shared Task on Mixed Script Information Retrieval (Continue)**
- 16:15-17:00 Other Evaluation Forums
- 18:30- Poster Session & Banquet

DAY 3: Sunday, 06/12/2015

09:30-10:15 Paulo Quaresma - Using Semantic Information to Improve IR systems

10:15-10:45 **Track talks - CLSOCO**

10:45-11:15 Alexander Kotov - Leveraging User Meta-Data in Information Retrieval and Textual Data Mining

11:15-11:30 **Tea break**

11:30-13:00 **Industry Session**

Mayur Datar - Machine Learning Challenges in E-Commerce

Girish Kesav Palshikar - HR Analytics in TCS

13:00-14:00 **Lunch break**

14:00-14:30 **Track Talks - Automated Story Illustration**

14:30-15:15 Gareth Jones

15:15-15:30 **Tea break**

15:30-16:15 Björn Gambäck - Computational linguistic capacity building: Creating and collecting language processing tools and resources for under-resourced languages

16:15-16:30 Closing Note
